"CELLULOID" COLLARS AND CUFFS are made by covering a linen collar or cuff with "celluloid," thus making them strong, durable and waterproof. When soiled they can be cleaned by simply wiping off with a wet cloth. No other waterproof goods are made with this interlining, consequently no other goods can possibly give satisfaction. Do not forget that every piece of the genuine is stamped as follows:

Insist upon goods so marked and refuse anything else if offered. If your dealer does not keep them you can procure a sample from us direct by enclosing amount and stating size and whether stand-up or turned-down collar is wanted. Collars 25c. each. Cuffs 50c. pair.
